

Please [click here again](#) to generate an email to the Transport Convener for the Compensation scheme and the three Murrayfield ward councillors.

A blind copy will be sent to Pete Gregson of the Roseburn Vision group which will enable the number of emails to Cllrs to be monitored and ensure those who are missed out get some attention closer to the meeting date.

Remember to add your name and address at the end along with anything else you'd like to say. Note the code generator does not give paragraph breaks; add these yourself.

If you're not using MS Outlook, the code generator might not work.

In that case you'll need to make the email yourself

Subject: CCWEL Cycle Link- Small Business Compensation Scheme bid

Dear Cllrs,

Please support the small businesses affected by the CCWEL Section 1 running from Roseburn to Haymarket, who have petitioned the Council to establish a Compensation Fund which would be used to support their businesses in the event they are adversely affected by the cycle track (see the bid at http://www.edinburgh.gov.uk/directory_record/1067146/ccwel_cycle_link_-_small_business_compensation_scheme).

The petition is to be heard at Transport Committee on the 28th February. The Council and Spokes said when it first mooted the track three years ago that it would be good for business- and on that basis I imagine you will not be expecting the Administration to pay out much. But just in case some DO suffer, I hope the Council will help them, much in the way it is doing for businesses affected by the trams.

This bid is supported by Murrayfield Community Council. If you want more information, please go to www.tinyurl.com/trackmustpay .

[Add in reasons why they should support you here, if you like.]

Best wishes,

[Your Name]

[Your Address and postcode]
